- If you are coming into town from the Highway you will pass Movie Town on your Left and the Stadium on your right. At the light by the Stadium, take a right.

- As you pass the stadium (which is now on your right) the road will bear east. Immediately after the road bears right, you will see BELLE SMYTHE road on your left. Turn left on this road.
  - Belle Smythe will dead end after 1 block and you will turn left. This is Mucurapo Road.
  - Pass Fatima College on your right, a cemetery on your right and a mosque on your left.

- As the road approaches the “business section”, you will see a tall, red, three story building on your left. This is the SANTA MARIA PLAZA.

- We are located next door to the Santa Maria Plaza in an OLIVE GREEN BUILDING. If you see Hot Shoppe, Papa John’s, Mileage Mack, then you have gone too far. Turn around and head back EAST.

- You can park in front of our building. Walk through the big gate and up the staircase to the RIGHT of the building.

Please remember that we are by appointment only, so if you must change or cancel your appointment, we require at least 2 days advance notice (not the day before). We reserve our office for just your child during their visit. So when an appointment is missed or cancelled, it means that the office cannot see another patient who may be waiting for treatment.

We value your time. Therefore, we do our best to make sure the office runs on-time to avoid you having to wait for an extended period of time. You can help us by arriving at the office at your scheduled appointment time. Please allow ample time for unexpected traffic or longer travel times. If it is your child’s first visit to our office, please come in a few minutes early to fill out necessary paper work.
